Srinagar, Jammu & Kashmir, India

Recent graduate in computer applications with a strong foundation in front-end development, including HTML, CSS, JavaScript, and React.js. Passionate about creating user-centred web applications with seamless and interactive interfaces. Dedicated to learning new technologies and driven to bring innovative ideas to life in web development.

Academic Projects

Next Read (01/2024 - 07/2024) : Islamia College of Science & Commerce, Srinagar :

- Developed a seamless, AI-driven reading app using **Next.js, React, and Tailwind CSS**, featuring personalised content, course access, curated YouTube videos, and secure student login.

Stack Overflow Clone

- Developed a Stack Overflow clone with user registration, authentication, question posting, answering, voting, tagging, and search using **React.js, Node.js, and MongoDB**. Designed an intuitive, responsive UI for seamless user experience across devices. Implemented secure **JWT-based authentication** and robust search functionality to enhance user engagement and data privacy

LeetCode

Live Demo

- Developed a responsive web application that helps users track their **problem-solving performance** on LeetCode.
- Features include dynamic circular progress bars for each difficulty level (**Easy, Medium, Hard**), submission statistics, and error handling for user input validation.
- Utilized JavaScript for data fetching and **DOM manipulation**, CSS for responsive styling, and **LeetCode's GraphQL API** for data.

Skills

- Computer Language** : C ,C++,python.
- Front-end**: HTML, CSS, Tailwind CSS, React.js.
- Tools & Technologies** : GIT & Github, VS code, Jupyter Notebook

Education

Year	Degree/Examination	Institution/ Board	CGPA/Percentage
2024	BCA	Islamia College of science and Commerce, Srinagar	7 CGPA
2019	12th	Army Goodwill School	70%
2017	10th	Army Goodwill School	79.2%

Professional Experiences

Full Stack Web Developer Intern NullClass

May/2023 - Aug/2023

- Working on real-time projects using **React.js, Node.js, Express.js, MongoDB**

Subject MatterExpert Chegg India

Nov/2023 - Present

- Provide solutions to computer science queries, assisting students in understanding complex concepts.
- Ensure clarity and accuracy in responses, maintaining a high standard of quality for student satisfaction.

CERTIFICATES

Career Essentials in software development by Microsoft and linkedin .

- programming and software development.

Web development course .

- Creating and developing website using html css and javascript

HOBBIES

- Trekking, Cycling, & Cricket.
